## € LATVIAN STATE SCHOLARSHIP FOR DOCTORAL STUDENTS

In accordance with bilateral agreements on co-operation in education and science concluded between Latvian government and a few countries Latvia offers scholarships to foreign students, researchers and teaching staff for studies, research and participation in summer schools in Latvian higher education institutions (HEIs) in the 2020/2021 academic year. The Ministry of Education and Science of Latvia has delegated the administration of the Latvian state scholarships to the State Education Development Agency (Valsts izglītības attīstības aģentūra – VIAA)

Detailed information about Latvian state scholarships: [http://viaa.gov.lv/eng/international\\_cooperation/scholarships\\_gov/latvian\\_scholarships/](http://viaa.gov.lv/eng/international_cooperation/scholarships_gov/latvian_scholarships/)

## 🏠 CORE STONES OF THE PROGRAMME

- Doctoral programme is focused on research
- Professors from different universities are engaged in the programme
- International cooperation in research
- High qualification of academic staff
- Support for doctoral students in different stages of PhD research
- Cooperation with graduates of the programme

For the best students RISEBA offers Double PhD degree with Turku University. That will give the possibility to apply for grants, participate in research projects, develop joint publications, participate at various conferences, seminars and workshops at the partner universities. The opportunity to invite scientific supervisors from partner universities and enlarge your research social network.

## ADMISSION REQUIREMENTS

- Master degree
- Experience in Business management is welcome
- Interview with Programme director
- Essay on possible PhD topic
